LOOM DESIGN

NYX CEILING

LED CEILING LIGHT

Nyx Ceiling combines a compact cylindrical form with precise, focused illumination. The minimalist aluminium housing sits close to the ceiling, creating a clean architectural expression without dominating the space. Its warm integrated LED and defined beam make it ideal for highlighting selected areas in kitchens, hallways and living spaces, either individually or arranged in a series. Available in Matt White, Matt Black, Matt Brass and Matt Bronze.

KEY FEATURES

COMPACT DESIGN
The cylindrical form creates a clean architectural ceiling detail.

FOCUSED LIGHT
A 36° beam provides precise, evenly distributed illumination.

WARM ILLUMINATION
Integrated LED creates comfortable light at 2700K.

FOUR FINISHES
Available in matt white, black, brass and bronze.
