LOOM® DESIGN

SIA BASE FLOOR

FLOOR LAMP BASE

Sia Base Floor transform two Sia Click Spot into a flexible freestanding floor lamp. Its slim vertical form and circular base create a minimalist expression, while two independently rotatable magnetic mounts allow each spotlight to be positioned and directed as needed. Available in Black and White.

KEY FEATURES

DUAL SPOT MOUNT
Holds two Sia Click Spots.

MAGNETIC CLICK
Attaches and removes spots easily.

FLEXIBLE LIGHT
Each spotlight adjusts independently.

STABLE BASE
Provides secure floor placement.
