The concept of Sun is inspired by the early hours dawn, when the light of the sun plays along the horizon as it begins to appear. Each of Sun's different materials reflects the light in its own way, much as what happens at the exact moment when the night's darkness gives way to the light.

Sun 40

Light Source:
LED SMD 700mA 21,3W
2700K CRI80 2765lm

Luminaire:
180 - 295 VAC TRIAC 21,3W
1830lm

Sun 60

Light Source:
LED SMD 700mA 33,4W
2700K CRI80 4310lm

Luminaire:
180 - 295 VAC TRIAC
39,85W 3089lm

LED included

Lacquered iron structure in white or graphite. Diffuser made of thermoformed opal methacrylate, with another diffuser in opal blown glass placed off-centre.
