## Series Vectris Z

SUSPENDED

Vectris is a new series of suspended luminaires designed by Magdalena Klimas and Artur Szeziak. Luminaires are characterized by a light form and original shape. Their industrial design perfectly harmonizes with modern interiors, giving them a unique character. Luminaires are available in two lighting options: with focused light and with general light.

Vectris Z for basic, general, version + supplementary and spot lighting. Perfect for offices, studios, apartments, showrooms and premises such as clubs, galleries, restaurants.
